NOTICE TO ASSIGNEE:

Enclosed is FCC Form 732 notifying you of Commission consent to the assignment of the construct permit and/or license of the station(s) therein described. Voluntary assignments are required to be completed within sixty (60) days of the date granted.

In addition to the filing of the below mentioned FCC Form 323, you are required to immediately notify this office (1800B3), by letter, as to the exact date of the consummation; that is, the date on which the acts necessary to effect the assignment was completed.

Within thirty (30) days after the consummation of the assignment it will be necessary for you to submit an Ownership Report (FCC Form 323) reporting all changes as required by Section 73.3615 of the Rules. Where applicable, a separate Ownership Report should also be completed and submitted for any holding company (25% or greater ownership interest) of the licensee/permittee. Contractual information required by Section 73.3613 should be reported for the assignee in Item 6, page one of the Ownership Report and copies of each instrument should be submitted with the report. If this is an involuntary assignment that was the result of a death or court action, an Ownership Report must be filed to determine that all requirement of the Rules have been met and reported.

In the event the assignee is the licensee/permittee of another station and has current Ownership Report of file, you may complete and file only page one of FCC Form 323 to reflect the acquisition of the station(s) listed above. FCC Form 323 is enclosed for filing convenience. Instructions for completing the report are on the reverse side.

It is of the utmost importance that all Commission correspondence comes to the immediate attention of the permittee of licensee. Only one mailing address can be maintained for each station. Unless we hear from you to the contrary, the above address will be used as your permanent mailing address.

If the assignor has any applications pending before the Commission, these applications must be amended to reflect the name of the assignee. Upon consummation of the assignment, amendments to each application must be filed by the assignee, in triplicate, signed by the proper party (see Section 73.3513 of the Rules). Further processing of these applications will be pending receipt of the amendment.

In re: WKZF; Bayboro, NC
Carolina Community Broadcasting, Inc.
Upgrade to Class C3

Gentlemen:

Pursuant to the Report and Order in MM Docket No. 91-237, 7 FCC Rcd 6305, 57 Fed. Reg. 45578 (1992), effective November 12, 1992, the Commission modified the allotment for WKZF from Channel 250A to Channel 250C3. The Report and Order deleted the old channel 250A from the Table of Allotments (47 CFR § 73.202) and substituted Channel 250C3 therein. WKZF was afforded a period of 90 days from the November 12, 1992 effective date to file a construction permit application on FCC Form 301 for Class C3 facilities. Although the old Class A allotment was deleted, WKZF was permitted to continue operations on the old channel pending the grant of a Class C3 construction permit and the implementation of Class C3 operation. To date, WKZF has not filed a Form 301 application to implement this change.

A Class C3 station, being larger than a Class A station, requires greater protection from encroachment by other stations. Thus, WKZF is presently receiving the benefit of Class C3 protection while only providing the service of a Class A station. Failure to implement Class C3 facilities in a timely manner constitutes "warehousing" of unused spectrum to the preclusion of other potential users seeking to provide additional broadcast service to the public. Thus, your unfilled Class C3 allotment could result in your being made a party to an allocation rulemaking seeking to downgrade the Bayboro, NC Channel 250C3 allotment.

Please note that, if you intend to apply for Class C3 facilities, you must submit a construction permit application on FCC Form 301.¹ If this application is filed before any conflicting rulemaking is initiated, the application will take precedence. If filed later, the application will be subject to the outcome of the rulemaking proceeding. Report and Order, Docket 91-348, 7 FCC Rcd 4917, 57 Fed. Reg. 36018, released August 4, 1992.

Forms 301, 302-FM, 155 (the Fee Form to accompany the Form 301), and the Mass Media Services Fee Filing Guide can all be obtained from the Commission at (202)-632-3676. It is suggested that a copy of this letter be attached to any filing to facilitate the Commission's processing of that filing.

Sincerely,

Dennis Williams

¹ Alternatively, WKZF could file FCC Form 302-FM and request to be downgraded to Class A with its existing Class A facilities. No filing fee would be required for this modification-of-license application.

In re: WKZF; Bayboro, NC
Carolina Community Broadcasting, Inc.
Upgrade to Class C3

Gentlemen:

Pursuant to the Report and Order in MM Docket No. 91-237, 7 FCC Rod 6305, 57 Fed. Reg. 45578 (1992), effective November 12, 1992, the Commission modified the allotment for WKZF from Channel 250A to Channel 250C3. The Report and Order deleted the old channel 250A from the Table of Allotments (47 CFR § 73.202) and substituted Channel 250C3 therein. WKZF was afforded a period of 90 days from the November 12, 1992 effective date to file a construction permit application on FCC Form 301 for Class C3 facilities. Although the old Class A allotment was deleted, WKZF was permitted to continue operations on the old channel pending the grant of a Class C3 construction permit and the implementation of Class C3 operation. To date, WKZF has not filed a Form 301 application to implement this change.

A Class C3 station, being larger than a Class A station, requires greater protection from encroachment by other stations. Thus, WKZF is presently receiving the benefit of Class C3 protection while only providing the service of a Class A station. Failure to implement Class C3 facilities in a timely manner constitutes "warehousing" of unused spectrum to the preclusion of other potential users seeking to provide additional broadcast service to the public. Thus, your unfilled Class C3 allotment could result in your being made a party to an allocation rulemaking seeking to downgrade the Bayboro, NC Channel 250C3 allotment.

Please note that, if you intend to apply for Class C3 facilities, you must submit a construction permit application on FCC Form 301.¹ If this application is filed before any conflicting rulemaking is initiated, the application will take precedence. If filed later, the application will be subject to the outcome of the rulemaking proceeding. Report and Order, Docket 91-348, 7 FCC Rcd 4917, 57 Fed. Reg. 36018, released August 4, 1992.

Forms 301, 302-FM, 155 (the Fee Form to accompany the Form 301), and the Mass Media Services Fee Filing Guide can all be obtained from the Commission at (202)-632-3676. It is suggested that a copy of this letter be attached to any filing to facilitate the Commission's processing of that filing.

Sincerely,

Dennis Williams

¹ Alternatively, WKZF could file FCC Form 302-FM and request to be downgraded to Class A with its existing Class A facilities. No filing fee would be required for this modification-of-license application.

RE: FM Station WKZF Bayboro, North Carolina

Dear Mr. Caton:

Transmitted herewith in triplicate is FCC Form 314, an application for consent to assignment of license for FM station WKZF Bayboro, North Carolina, from Carolina Community Broadcasting, Inc., to Sunbelt Media, Inc. Based on the following, no filing fee is required or submitted with this application.

You are advised that by letter dated July 19, 1993, (Ref. No. 1800B3-DW) the application was returned because the parties sought consent to the proposed assignment through an outdated version of FCC Form 314. Pursuant to Section 1.1107(d) of your rules, "applications returned for additional information or corrections will not require an additional fee when resubmitted." A copy of the Commission's outlining the needed corrections, and a copy of the original FCC Form 155 Fee Processing Form as received and stamped by your fee filing office in Pittsburgh, Pennsylvania, is attached hereto.

Accordingly, the parties have corrected their original filing by using the current version of FCC Form 314 and are resubmitting it herewith. Under your rules, no additional filing fee is required.

Please address any questions concerning this matter to the undersigned.

Sincerely,

John S. Neely
